

## Are You a Rat Lover? Simply Ratty - Caring For Rats Made Easy

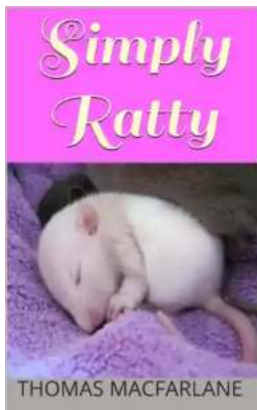

Rats have long been considered pests, lurking in sewers and alleys. However, these small creatures make amazing pets, and caring for them can be a rewarding experience. If you're a rat lover or considering getting a pet rat, you've

come to the right place! Simply Ratty is here to provide you with all the information you need to care for these little friends effortlessly.

## Why Choose Rats as Pets?

Rats are highly intelligent and social animals that form strong bonds with their human owners. They are playful, affectionate, and capable of learning tricks. Unlike other rodents, rats have a longer lifespan, averaging around 2-3 years. These adorable creatures can bring immense joy into your life if given the proper care and attention.

Are you interested in getting pet rats or have recently become a rat owner? Looking for a simple guide to get you started on your journey?

Then Simply Ratty is the book for you!

Simply Ratty is a simple and basic guide to rat care, which will help you develop confidence and a relaxed approach to caring for your rats. It doesn't over-complicate things and efficiently covers the basics so that you can get straight into playing, bonding and having fun with your rats. After all, that's why we have pets - to enjoy their company!

Simply Ratty is an Internet-oriented book, designed with two specific purposes in mind:

- To give the reader the knowledge and understanding required to develop a correct attitude in caring for pet rats
- To provide access to additional resources to further your knowledge and extend your capabilities in keeping your pet rats happy and healthy.

Although the basic information can be read without access to the internet, it is recommended that you use an Internet-enabled device to fully appreciate the scope of the book.

The book covers the essentials such as:

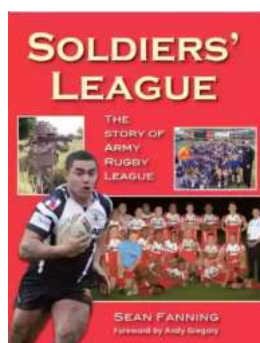

- Where to find the best pet rats
- Setting up the cage
- Nutrition
- Potential health problems

and most importantly how to befriend and interact with your rats!

Simply Ratty is written for beginners and is easy-to-read and understand. The book does not include more complex and expert information, but features plenty of references and extra suggestions, usually in the form of hyperlinks, which can be explored at your leisure.

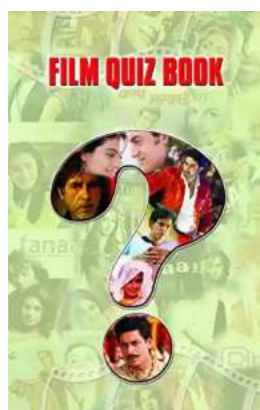

The aim is to bring you and your pet closer and develop a trusting relationship. Didn't think you could do that with a rat? Then you need this book! Rats are the real man's best friend!

Purchase your copy today and get started! Great value at less than the price of a cup of coffee, it will serve as an essential kick-start into the world of keeping pet rats.
