This series ANGEL'S LITTLE MEMORIES is written by the experienced author, Angela Lao. There are numerous true stories of her own.

One day, Mum told me to write an autobiography. I started this idea. I didn't want to make it so boring, so I am using a fun way to tell my stories. I don't make it like MY LIFE by Bill Clinton. I am ambitious. I have achievements. But, I am not a big potato yet. So, I decided to make this autobiography like diaries from an ordinary person.

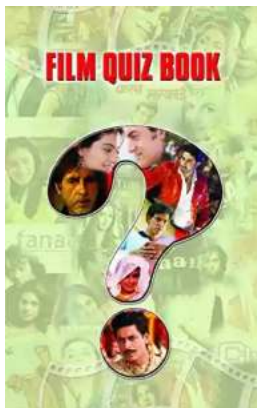

I wish to write till 10000 true stories! Please support me if you want too!
