## Introducing the Collection

The Blood Of Pioneers Divided Decade Collection is a series of ten gripping books that follow the lives of a diverse group of individuals during a time of deep division and transformation. Each book focuses on a different year, starting from 1861 and ending in 1870, thus immersing readers in a comprehensive understanding of the decade's distinctive characteristics and challenges.

From the opening pages of the first book, you will be captivated by the vivid storytelling and richly developed characters. The author expertly weaves together the personal and political, exposing the raw emotions, and driving readers to turn page after page with anticipation.

## Unforgettable Characters

Within the pages of the Blood Of Pioneers Divided Decade Collection, you will meet a wide array of unforgettable characters. From courageous pioneers pushing westward to escaped slaves seeking freedom, each character's journey reflects the complexities of their time.

Follow the adventures of Sarah, a determined young woman who defies societal expectations to fight for her beliefs, or dive into the world of Jackson, a recently freed slave determined to find his place in a changing society. Each character faces their own unique trials and tribulations, painting a vivid picture of the struggles and triumphs experienced by individuals from different walks of life.

### **A Detailed Historical Perspective**

The Blood Of Pioneers Divided Decade Collection goes beyond mere entertainment; it offers a window into a pivotal period in American history. Through meticulous research and attention to detail, the author recreates historical events, social dynamics, and cultural nuances, transporting readers to a different time and place.

Readers will gain a deeper understanding of the complexities of the Civil War and its aftermath, witnessing the impact it had on various communities and

individuals. Through multiple perspectives, the collection sheds light on the struggles faced by both the North and the South, presenting a well-rounded narrative that grapples with the gray areas of history.

### **Grab Your Copy Now!**

Will war provide an opportunity for Hannah to finally leave the family farm?

Hannah Wallace craves excitement, but all local adventures dried up long ago, when her parents unpacked their wagon on the Michigan frontier. Then war breaks out and her father and older brother leave to fight the Confederacy. Hannah is left at home chafing under the boredom of never-ending chores, jealous of her brother's lucky opportunity, and haunted by old memories—until unscrupulous speculators set their sights on the unmanned farm. The one place she longs to leave suddenly becomes the one place she'll risk everything to save.

Likened to the rich literary style of Ann Rinaldi but with its own twist of adventure, *Blood of Pioneers* presents the struggles and dangers of the least-remembered front of the Civil War—the home front. Find out why so many teachers have incorporated this Civil War historical fiction series into classrooms across the country. The price is kept deliberately low so you can feel as good about the cost as you do about the content. Download your child's copy today and open a door to America's past.

Recipient of a Reader's Choice 5 Star Seal of Approval. Series librarian-nominated for the 2012 Great Michigan Read.

Divided Decade Series:

1858 – The Candle Star

1862 – Blood of Pioneers

1865 – Beneath the Slashings
