

Breathe Sarah Crossan - The Hypnotic Tale of Survival and Love

A Glimpse into a Breathless World

In the realm of young adult dystopian novels, "Breathe" by Sarah Crossan stands apart as a mesmerizing tale that takes readers on an exhilarating journey through

a world without air. With its intricately woven narrative and compelling characters, Crossan delivers a gripping story filled with survival, romance, and thought-provoking themes that will leave readers breathless.

Set in a future where oxygen is a commodity and clean air is reserved for the elite, "Breathe" transports readers to a world shrouded in suffocating smog. The story follows three teenagers - Alina, Quinn, and Bea - as they navigate through the smog-filled dystopia in search of hope and freedom.

When Oxygen Becomes a Luxury

As Crossan delves into the hardships faced by the characters, she skillfully explores the stark divide between the privileged few who can afford to breathe and the impoverished majority left fighting for survival. Through her vivid portrayal of a society where oxygen is a luxury, she forces readers to confront the consequences of environmental degradation and social inequality.

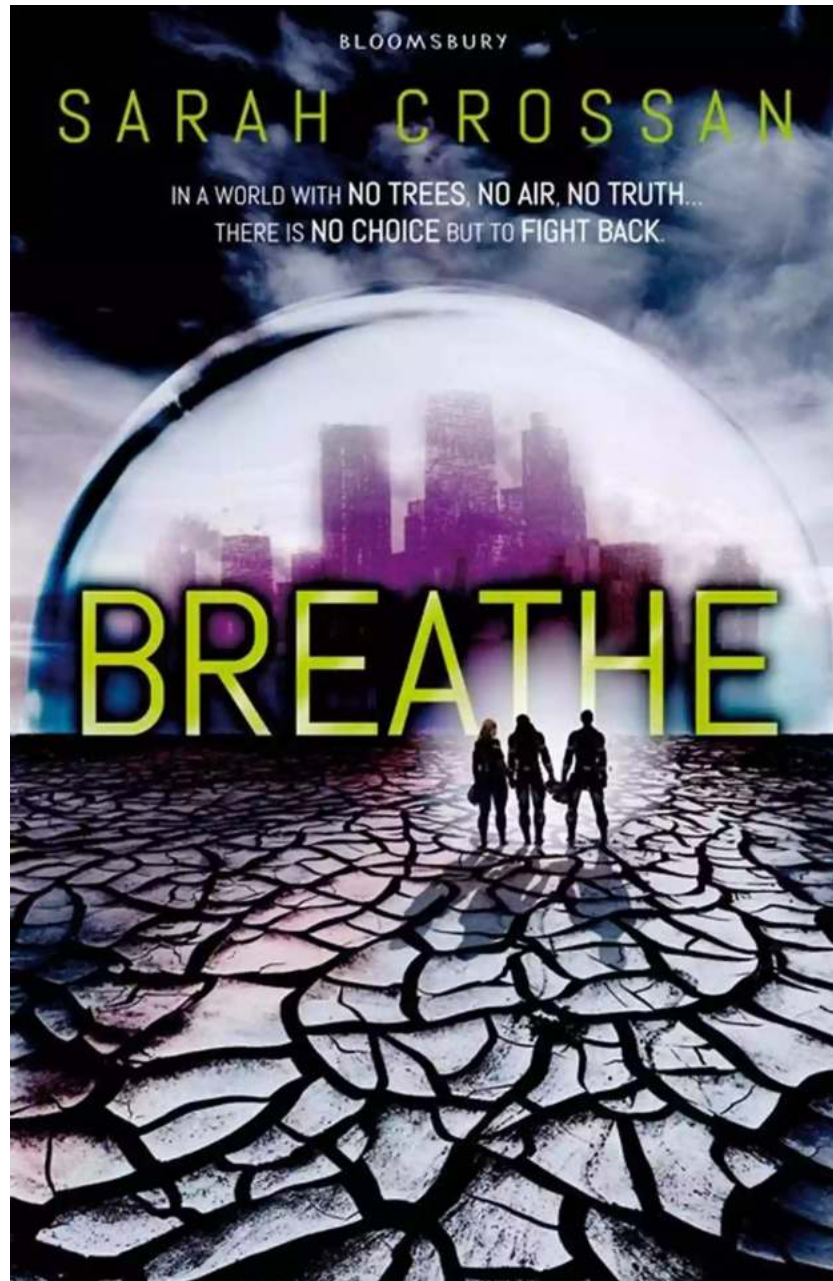

The entangled lives of Alina, Quinn, and Bea intertwine amidst a backdrop of rebellion, courage, and sacrifice. Alina, a young and feisty revolutionary, becomes the beacon of hope for those seeking justice and change. Quinn, a member of the privileged class, wrestles with conflicting emotions as he unravels the dark secrets hidden beneath his sheltered world. Bea, a determined and headstrong girl, embarks on a mission to break free from societal constraints and discover her true self.

A Tale of Love and Survival

Amidst the chaotic world they inhabit, Alina and Quinn find solace in each other, their love serving as a glimmer of hope in the midst of despair. Crossan weaves their love story with grace and sensitivity, highlighting the power of human connection and its ability to sustain even in the harshest of circumstances.

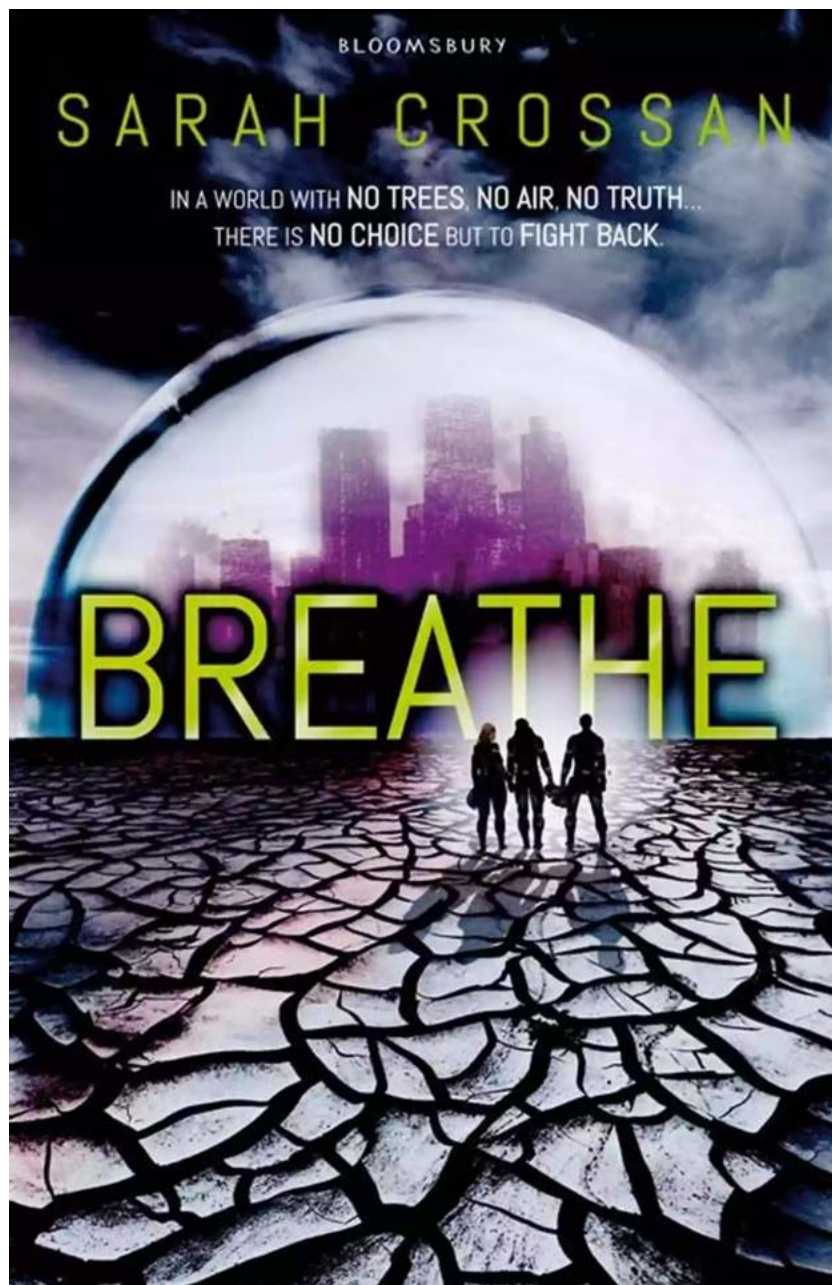

As the trio embarks on a daring quest to uncover the truth behind the suffocating society they live in, readers are transported to crumbling cities, treacherous forests, and exhilarating moments of heart-stopping danger. Crossan's prose paints vivid landscapes and emotions, immersing readers into a world where survival is their only goal.

A Book that Leaves You Breathless

"Breathe" is not just another dystopian novel; it is a captivating exploration of humanity's resilience and capacity for change. Crossan masterfully tackles themes of social justice, environmental responsibility, and the power of individual choice, all while keeping readers on the edge of their seats.

The characters in "Breathe" are authentic and relatable, their struggles and triumphs resonating with readers long after they turn the last page. Crossan's prose is poetic and compelling, captivating readers with every word.

The Legacy of "Breathe"

With the success of "Breathe," Sarah Crossan established herself as a remarkable voice in the young adult dystopian genre. The book received critical

acclaim and garnered a loyal following of readers who were left eager for more.

, "Breathe" by Sarah Crossan is an enthralling tale that takes readers on a captivating journey through a suffocating world where love and survival intertwine. With its thought-provoking themes and compelling characters, Crossan's novel leaves readers breathless, both figuratively and literally. It serves as a stark reminder of the importance of our planet and the power of unity in the face of adversity.

The world has no air. If you want to survive, you pay to breathe. But what if you can't? And what if you think everything could be different? Three teens will leave everything they know behind in Sarah Crossan's gripping and original dystopian teen novel of danger, longing, and glimmering hope that will appeal to fans of Patrick Ness and Veronica Roth.

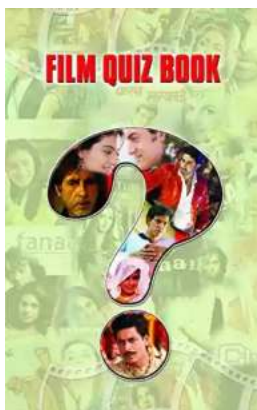

National Book Award Finalist Kathleen Duey called Breathe "An amazing story! Sit down. Inhale. Now, while you still can." Ever since the Switch, when the oxygen levels plummeted and most of humanity died, the survivors have been protected in glass domes full of manufactured air. Protected . . . or trapped? Or

controlled? Alina's a revolutionary who believes we can save the environment. Quinn's a Premium who's never had to worry about having enough air. His best friend, Bea, is an Auxiliary who's never worried about anything but having enough air. When the three cross paths, they will change everything. Sarah Crossan's thrilling and provocative novel is about passion, about yearning for something better, and about breaking free for the very first time. The Bulletin of the Center for Children's Books proclaims it an "action-packed dystopian series opener to watch out for."
