Ana has the perfect job. Unfortunately, it means working with TJ.

We quickly huddled together, burying our heads under our bags. I lost track of time under the table with TJ's arm around me, shielding me from the storm. I was surprised that this annoying creature could make me feel so safe. I squeezed my eyes shut as a barrage of unfamiliar noises assaulted my ears and wondered whether I would ever open them again.

Seventeen-year-old Ana cannot wait for summer, when she gets to co-lead the overnight hikes at her uncle's family camp. Sure, it means working with her brother-in-law, TJ, a boy her age whom she cannot stand. But, she is willing to put aside their differences in order to have a fantastic summer. When tragedy strikes, Ana and TJ must work together, with the help of the legendary piquaqua bird, to help restore the camp in time for summer.
