Firstly, mafia romance offers a thrilling escape from reality. These novels transport readers to an exotic and dangerous world where forbidden love and powerful villains reign supreme. The suspenseful nature of these stories keeps readers on the edge of their seats, eagerly turning the pages to uncover the secrets that lie within.

Secondly, the allure of the forbidden is a recurring theme in mafia romance novels. Readers are drawn to the idea of love flourishing under challenging circumstances, especially when surrounded by danger and uncertainty. This forbidden aspect adds an extra layer of tension and excitement, making the romance even more enticing.

Lastly, mafia romance novels often explore themes of power, control, and redemption. The anti-hero archetype prevalent in these books is a complex, morally ambiguous character who walks the fine line between good and evil. Readers are fascinated by the inner turmoil and struggle for redemption that these characters undergo, creating an emotionally charged reading experience.

An Amazon Bestselling Book!

Control is the third of four books in the Power Series based in the world of the sexy and powerful Sethi Brothers. It is the first part of a duet centered around Jai that ends in a cliffhanger.

It's all mine now. Power. Money. Legacy.

I've wanted this for as long as I can remember.

I just didn't expect it to include ghosts from the past.

They haunt me and everyone I care about--threatening to ruin us.

My destiny seemed bleak, until Claire Varon.

Fire disguised as ice. The devil with the face of an angel.

Like the eye of a hurricane before the worst part of her storm has yet to strike.

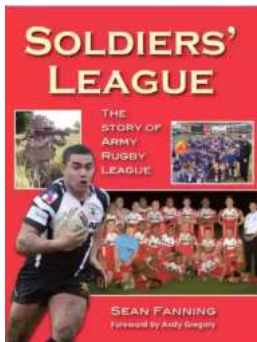

Her secrets push away anyone who dares to get close.

But, I have secrets of my own, making me a worthy adversary against the impenetrable walls she's trapped herself within.

The only thing we agree on is the need for control. What she doesn't know is that I always win.

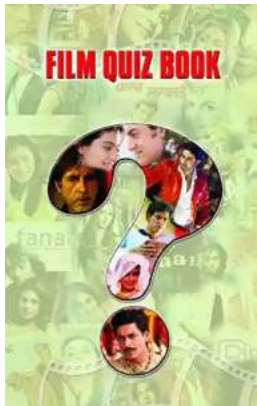

Books 1 & 2 should ideally be read first but isn't necessary. Book 4 will be needed to conclude the epic story introduced in Control.

TRIGGER WARNING Subject matters that may be too dark and disturbing to some readers are included in this book.
