- Suggestions for route planning, outlining speed limits, options for using and avoiding toll roads and the CRIT'Air low-emission zone scheme.
- Guidance for using ferries and the Eurotunnel, from travelling to the port or train through to boarding and disembarking.
- Pointers for driving in France, including dealing with the 'priorité à droite' rules, using roundabouts, safely handling mountain routes and paying for toll roads.
- Living day-to-day motorhome life in France, from finding fuel and gas to obtaining Euros, using service points (bornes), coping with the language, shopping, using the internet and doing your laundry.
- Staying safe and handling any issues which may arise on your holiday.

- And finally returning home to the UK, safely and with life-long memories in advance of your next trip away.
