You might not expect to receive life-changing advice from a stray cat, but Bob the Writing Cat's dear friends on the internet seek him out every day for hope, humility, and humor. In a world struggling with uncertainties at every turn, Bob

decided to use his rare writing abilities to share his unique perspective on coping in times of uncertainty and stress.

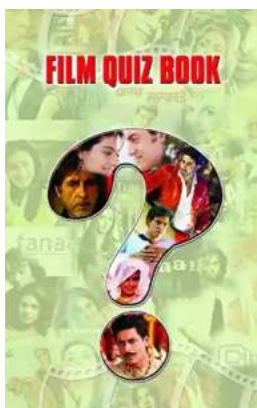

He started by sharing his day-to-day struggles in managing the vile beasts in his care and frustrations in dealing with his soulmate (aka the woman) on social media. When his friends begged for more encouraging words, Bob created a weekly newsletter, The Bobington Post, to dive deep into topics most helpful to his friends.

Very Truly Yours is an excerpt of The Bobington Post's most popular essays...all focused on offering words of wisdom and encouragement from a formerly homeless cat whose only desire is to use his writing skills for good.
