The Plot Unveiled

The Stripped Daring Eco Thriller, crafted by acclaimed author John Harper, takes you on an enthralling journey across the globe. The story revolves around Sarah Collins, a fearless investigative journalist dedicated to uncovering the truth behind the world's environmental crimes. She stumbles upon a secret organization driven by greed and power, willing to do anything to protect their sinister agenda.

Filled with unpredictable twists and turns, the Stripped Daring Eco Thriller takes readers through treacherous jungles, vast oceans, and corrupted governments. As the plot thickens, Sarah finds herself not only battling the external threats but also wrestling with her own demons. The story serves as a reminder of the delicate balance between mankind and nature and the dire consequences of ignoring our responsibilities.

Character Development at Its Finest

One of the aspects that sets the Stripped Daring Eco Thriller apart from other novels in the genre is its brilliant character development. Harper masterfully brings his characters to life, making readers emotionally invested in their journey. Sarah Collins, the protagonist, is a complex and relatable character who embodies courage and perseverance in the face of adversity.

Alongside Sarah, readers encounter a diverse cast of characters - each with their own motives and secrets. From the enigmatic whistleblower to the conflicted politician, these characters add depth and complexity to the narrative. As the

story progresses, relationships are built, alliances are formed, and betrayals occur, leaving readers captivated and eager to uncover the truth.

Environmental Awareness Through Thrills

In a world grappling with numerous environmental challenges, the Stripped Daring Eco Thriller serves as a potent reminder of our duty to protect the planet. By intertwining real-world issues within a thrilling narrative, Harper successfully brings these concerns into the forefront of readers' minds.

The breathtaking settings described in the novel, such as the disappearing rainforests and polluted oceans, act as reminders of the alarming consequences of our actions. Through the eyes of Sarah Collins, readers witness the devastating impact of deforestation, pollution, and illegal wildlife trade - issues that threaten the fragile balance of our ecosystems.

Behind the Scenes - John Harper's Inspiration

To truly understand the brilliance of the Stripped Daring Eco Thriller, it is essential to delve into John Harper's inspiration for the novel. Harper himself is a passionate advocate for environmental conservation and has dedicated his career to raising awareness about these critical issues.

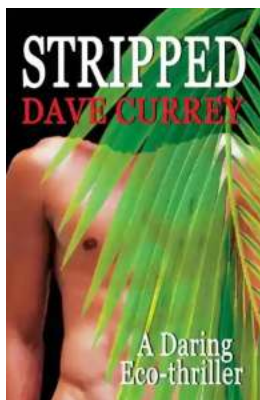

Harper's travels to remote regions around the world, witnessing firsthand the destruction of nature and the struggles faced by local communities, served as the catalyst for Stripped Daring. Determined to amplify these stories in a way that captures readers' attention, he carefully weaves his experiences into the tapestry of the novel.

Why You Should Join the Adventure

The Stripped Daring Eco Thriller offers an exhilarating and thought-provoking escape from reality. With its intricate plot, rich character development, and underlying messages about the environment, this novel is guaranteed to leave a lasting impact on readers.

So, if you're seeking an adventure that combines heart-pounding action, a dash of romance, and a poignant environmental message, the Stripped Daring Eco Thriller is the perfect choice. A fast paced contemporary eco-thriller with guts, written by a real life undercover sleuth. Author Dave Currey, as front man for TV's award-winning Animal Detectives has spent 25 years leading undercover teams that "seem to live their lives on the pages of a crime novel" says The Face.

Four severed limbs delivered to separate addresses in Borneo: a warning from the billion dollar timber Mafia. Two young men kidnapped while swimming naked in the dense Borneo jungle. Left for dead, Englishman Matt and local Dayak guide Koto, stripped of everything, draw on their vastly different experiences and instincts to survive the dangers of the wild - home to giant crocodiles, endangered orang-utans - and trillions of mosquitoes. Forest Minister Probo, surviving an assassination attempt, sets out to break the timber Mafia's corrupt stranglehold on his country. Murder, politics, Islamic extremism and the world's press mercilessly add frightening layers to this breathless adventure - the terrible consequences of our demand for tropical wood.

"Dave Currey's work concerns life and death, including his own" - Sunday Mirror Magazine.

"An exhilarating and thought provoking sexy thriller ... Nature vs man's greed brought home by Currey who has lived the danger" Rula Lenska, actress and conservationist.

"An exciting and completely new style of eco-thriller" Annie Quigley, Director bibliophile Books.

A believably shocking thriller with political intrigue. Written by a man who really has successfully managed the release of kidnapped personnel, lunched with the Indonesian President and fought the timber Mafia. Set in Borneo, Jakarta, Bali, Singapore and London.
