This is the story of an adventurous journey that took us across the South American continent. In a 4x4 van that we bought sight unseen online and took over in Buenos Aires. Our plan? There wasn't really one. We wanted to see the swamps in the north of Argentina, swim in the Atlantic Ocean in Brazil, drive to the Pacific Ocean after the Atacama Desert in Chile, watch the penguins on the Peninsula Valdez and travel to the deepest south of Latin America to Tierra del Fuego. We saw all this and experienced much more. Not everything worked out and sometimes the car broke down, but one thing is clear: We would repeat this trip immediately!
