Despite her captivating presence, Jennifer's life has been marred by tragedy. Her childhood sweetheart, Matthew, was tragically taken from her in a car accident on the eve of their wedding day. Consumed by grief, Jennifer was left to navigate the world alone, her heart shattered into a thousand pieces.

A Second Chance at Love and Redemption

Years later, fate intervenes and presents Jennifer with an opportunity to rewrite her story. She stumbles upon an ancient artifact that allows her to travel back in

time and alter the course of events. Armed with this newfound power, Jennifer embarks on a mission to save Matthew and rewrite their tragic love story.

The narrative unfolds as Jennifer navigates through different timelines, facing numerous challenges, and questioning the very fabric of reality. Will she be able to rescue Matthew from his untimely demise? Can true love conquer all, even the constraints of time?

An Emotional Roller Coaster

"If Only Jennifer Gilmore" is a roller coaster ride of emotions, capturing the essence of love and loss in its rawest form. The author, Katherine Johnson, skillfully weaves a tale that tugs at the heartstrings and explores the intricacies of human relationships.

With vivid descriptions and poetic prose, Johnson paints a picture of a world where love knows no boundaries. From tear-jerking moments of heartache to heartwarming instances of profound connection, readers will find themselves immersed in a story that resonates long after the final page.

A Captivating

As the story builds towards its climax, readers will be kept on the edge of their seats, eagerly turning each page to uncover the ultimate fate of Jennifer and Matthew. Will Jennifer's quest to rewrite history succeed, or will she be forced to face the devastating reality of loss once again?

"If Only Jennifer Gilmore" is a profound exploration of love, loss, and the lengths one will go to for a second chance at happiness. This beautifully crafted tale will leave readers pondering the mysteries of life, the power of love, and the ceaseless resilience of the human spirit.

Acclaimed author Jennifer Gilmore's intimate and achingly beautiful novel deftly explores the role that chance and choice play in shaping the lives of two teenagers who are separated by sixteen years, but whose lives are intertwined.

Two Starred Reviews!

"This emotional, visceral novel haunted me in the best ways. Jennifer Gilmore has written something of real depth, which will leave readers thinking for a long time about the lives that other people lead, as well as the ones they might have led. *If Only* is gripping and shiveringly beautiful; a true achievement."—Meg Wolitzer, bestselling author of *The Interestings* and *Belzhar*

BEFORE: When Bridget imagined her life at sixteen, it didn't look like this. She didn't think that her boyfriend would dump her for another girl. And she certainly didn't think that she would be pregnant.

With just a few months until she gives birth, Bridget must envision an entirely new future—one for her baby. But as she sifts through the many paths and the many people who want to parent her child, she can't help but feel that there is no right decision.

AFTER: Ivy doesn't know much about her birth mother. She knows that she is now the same age Bridget was when she placed Ivy for adoption. She knows that Bridget was the one who named her. And she knows that fifteen years ago Bridget disappeared from Ivy's and her adoptive moms' lives.

Ivy wants to discover more about herself, but as she goes to find Bridget, she can't help but feel that the risks might far outweigh the benefits of knowing where she comes from and why her birth mother chose to walk away.

“Gilmore brings special yet subtle artistry to her interwoven story, weaving motifs and even seemingly extraneous people through the different iterations to keep each version connected with the others.”—BCCB (starred review)

“Gilmore's gritty multigenerational tale not only seeks to ask adoption's toughest questions, but dares to offer no easy answers: Not to be missed.”—Kirkus (starred review)

“Gilmore's writing is emotionally raw yet beautiful, touching upon some traditional Y.A. themes...with an almost mystical feel.”—New York Times Book Review
