- Learn the difference between a contract and agreement. Not 1 in 1,000 people knows this! Choose the wrong one, and you could wind-up with a costly lawsuit and face financial ruin.
- The MOST crucial element for avoiding expensive litigation and behind closed-door, high-fee consultations with your attorney.
- Precisely "when and how" you should write your own document (This may surprise you, but you should NEVER fill-in another legal document until you've read this first!)
- How to keep your document simple! Forget everything you've ever been told... this is the ONLY tip you'll ever need!
- How to know if your legal document is 100% legally binding and enforceable! Shockingly, most agreements never hold up in a court of law. But once you're armed with this crucial piece of information, you'll never have to worry about being "financially raped" by the legal system!
- Why and how to include the right usage of names and addresses in your document. (Get this one wrong and you can forget about ever winning your case in a court of law. Your legal document won't be worth the paper it's written on.)

- How to lawfully recover "employee training expenses" when he or she leaves your employ.
- How to sign a legal document so you cannot be held liable in a court of law.
- Key elements to look for in a contract before you sign it! (Don't ever sign another legal contract until you've got this down cold!)
- Why you should NEVER use a friend, family member or relative as an independent witness.
- How specific legal clauses can protect you when doing business in another state or province.
- Why using an "interpretation clause" is a powerfully-effective strategy to legally protect yourself.
- Discover what legal clauses lawyers intentionally leave out of contracts so that they can expect to litigate later.
- What makes one legal contract different (and, infinitely better) than other written contracts.
- How to use the guides alternative/optional attorney clauses for ironclad legal protection.
