## The Origins of Swamp Thing and The Zombie Pets

Swamp Thing, a character created by writer Len Wein and artist Bernie Wrightson, first appeared in "House of Secrets" #92 in 1971. The character later became a key part of the DC Comics universe, gaining popularity for his unique blend of horror and superhero elements. Swamp Thing's powers, derived from the mystical forces of the green, make him an unstoppable force to reckon with.

The Zombie Pets, on the other hand, are a group of pets corrupted by an ancient necromantic spell. Originally beloved companions to their owners, they met an unfortunate fate when a dark sorcerer sought to conquer the swamps. The pets were turned into mindless zombie creatures, obeying their master's every command, and now serve as the primary antagonists in this epic showdown.
