Two sweet YA romances with interconnected plotlines but two separate, satisfying happily ever afters. Double the swoonworthy fun!

Get ready to meet a bad boy, a mean girl, the beloved quarterback, and a geeky loner...

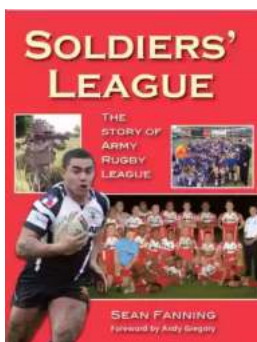

Conner and his stepsister Harley are new to town, new to Talmore High, and very new to this whole step-sibling situation. As of three weeks ago they were only children...and now? Well, now their parents' newly wedded bliss is wreaking havoc with both of their lives.

Charming the Cheerleader:

Conner might be new to this school, but he's not worried. He might be the new kid but he's never had a problem being the big man on campus. Until now. No one at this school seems to have gotten the memo that he's beloved. The girls aren't swooning and the guys are looking for any excuse to kick his butt back to California. When his stepsister throws out the challenge, it's a no brainer. If he can make head cheerleader Rosalie "The Ice Queen" Farlow fall at his feet, he'll have it all.

Dating the Quarterback:

After years of being bullied and ignored at her old school, Harley isn't about to make waves at Talmore High. She knows better than to mess with the cocky jerks on the football team. When the lead alpha starts to single her out she's sure that it's just a joke at her expense. There's no way he could really be interested in a geeky art nerd like her. After all, Tristan isn't just a quarterback, he's larger than life. He's the school's most revered athlete, the guy all the girls drool over. He might as well be a superhero in disguise. An ancient god come back to live among mere mortals...The guy was basically Thor. He can't possibly be for real...can he?
