

# The Classic Home Video: The Year In Pro Wrestling

Pro Wrestling has always been a thrilling and captivating form of entertainment, combining athleticism, storytelling, and larger-than-life characters. Over the years, numerous classic moments and matches have taken place, leaving a lasting impact on fans worldwide. While some of these moments are well-known and easily accessible, others are tucked away in the archives, waiting to be discovered by a new generation of fans.

Thanks to the rise of the internet and digital platforms, access to classic pro wrestling matches and moments has become easier than ever. However, there is still something special about the classic home video experience that cannot be replicated.

Imagine sitting with your friends in a cozy living room, eyes glued to the screen as you experience the explosive energy of classic pro wrestling. The anticipation builds as the video cassette is inserted into the VCR, and the grainy images flicker to life. The excitement is palpable as iconic figures like Hulk Hogan, Ric Flair, The Rock, Stone Cold Steve Austin, and many others step into the squared circle, each instantly recognizable by their larger-than-life personas and unmistakable styles.

With the Classic Home Video: The Year In Pro Wrestling collection, fans can relive the most pulse-pounding moments from a specific year in pro wrestling history. This meticulously crafted video compilation takes you on a journey through time, showcasing unforgettable matches, shocking twists, and career-defining moments that shaped the industry.

Whether you are a die-hard fan who wants to revisit your favorite moments or a newcomer looking to grasp the magic of wrestling's golden eras, this collection offers an immersive experience that transports you to a bygone era.

One of the great advantages of the Classic Home Video collection is the ability to explore the wrestling landscape of a specific year. From the groundbreaking rivalries in the 1980s to the iconic Monday Night Wars of the 1990s, every era has its own unique flavor and superstar lineup.

Picture yourself witnessing Hulk Hogan body-slam Andre the Giant in front of a massive crowd at WrestleMania III, or Stone Cold Steve Austin delivering his infamous "Austin 3:16" promo at King of the Ring '96. These moments are etched in wrestling history, and now you can experience them in the comfort of your own home.

The Classic Home Video: The Year In Pro Wrestling collection also lets fans explore the vast array of wrestling promotions and territories that existed throughout the years. From WWE (formerly WWF) to WCW, ECW, and many others, this collection encompasses the diverse wrestling landscape and the unique styles and talents that came with it.

But what makes this collection truly special is the attention to detail. Each video is carefully curated, ensuring that fans get the best possible experience. The matches are presented in their entirety, accompanied by insightful commentary and interviews. This allows fans to not only relive the in-ring action but also gain a deeper understanding of the stories and rivalries that made these matches iconic.

For those who are passionate about the art of pro wrestling, the Classic Home Video collection is a treasure trove waiting to be explored. From the technical prowess of Bret Hart to the high-flying abilities of Rey Mysterio, from the intense brawls of Mick Foley to the charismatic presence of The Rock, this collection celebrates the diverse range of talent that has graced the wrestling ring over the years.

So, dust off your VCR, gather your friends, and get ready for an unforgettable journey through the annals of pro wrestling history with the Classic Home Video: The Year In Pro Wrestling collection. Relive the moments that shaped the industry, immerse yourself in the stories that captivated millions, and experience the magic of classic pro wrestling that continues to resonate with fans to this day.

1992: The Year in Pro Wrestling now available for pre-order

From the author of The Year in Pro Wrestling series "Really well written and very engaging from cover to cover" - Amazon review of 1993

Hulkamania. The word that sums up 1980s WWF like no other. Between 1985 and 1992 Coliseum Video released six tapes devoted to Hulk Hogan. Matches, interviews, angles and exclusive video features – these tapes were love letters from Vince McMahon to Hulk Hogan.

I've watched all six and this book is the result. Every match is reviewed, every angle is analysed and everything else is recapped, debated and put into some sort of context. All with a healthy dose of history and humour. As with my Year in Pro Wrestling series, I'll be adding all sorts of background information and jokes to tell not just the stories they want you to see but also the stories they want you to forget.

Each tape is a time capsule preserving how they wanted you – the fans – to see Hulk Hogan at moment. Over the years it changes from a superstar athlete to a

religious figure. Just as Darth Vader became more machine than man, so Hulk Hogan gradually became more Hulkamania than human.

Amongst so much else, this book will include:

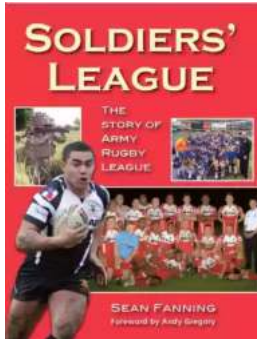

- Hogan's entendre-laced protein shake segment from TNT which made Alfred Hayes throw up
- Hogan's clean victory over the Undertaker months before the Gravest Challenge which could've killed the Dead Man's career if Coliseum Video wasn't its own universe
- Hogan mocking the sexuality of Adrian Adonis, the Genius, Jesse Ventura, Brutus Beefcake and even Sensational Sherri
- Hogan and Savage having essentially the same match on three different cassettes, in three different countries
- The genesis of Hogan's legendary feuds with Mr Wonderful and Andre the Giant (including the smallest plaster in wrestling history and the angriest promo ever cut at a bunch of flowers)
- Hulk spoiling the endings of all his matches in his pre-taped intros

...and so much more.

I've also been through all the arena results from 1984 to 1993 to give a flavour for Hogan's work away from the TV cameras. Who was he working with and when did he go from facing random challenger X to having long programs with a single opponent? Which astonishing name was his tag team partner on his first tour of Japan as WWF champion?

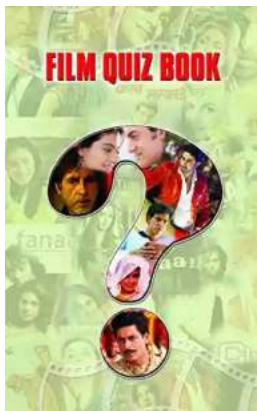

Love him or hate him, Hulk Hogan was the centrepiece of the WWF for over eight years and these tapes are our best way of capturing the contemporary

Hulkster. A modern 4-disc DVD box set can give us more footage but it is all presented through the prism of nostalgia. The Hulkamania series is a unique opportunity to see what they wanted you to think at the time. Part-worshipful, part-Orwellian, part-recycled and part-unintentional comedy.
