The buttons were said to have the ability to bestow great fortune or catastrophic misfortune upon those who possessed them. However, it came with a cost - a soul-binding curse that would haunt the button's owner for eternity. Many believed it to be a cautionary tale, while others sought the buttons to unlock their hidden powers.

## Ancient Artifacts Unearthed

After centuries of being hidden from the world, a team of archaeologists recently discovered a burial chamber in Orlantha. Inside, they stumbled upon a collection of intricate buttons, adorned with ancient symbols and glowing with an otherworldly aura.

The buttons, now under intense scientific scrutiny, have captivated experts across various disciplines. Historians, archaeologists, and paranormal researchers are working together to unravel the mysteries surrounding these fascinating artifacts.

## Unraveling the Curse

What exactly is the nature of the curse that binds these buttons? Is it merely a myth or a reality yet to be understood? Scholars have dedicated their lives to answering these questions, delving into ancient scriptures and investigating historical accounts of those who possessed the buttons.

Some tales speak of individuals who were granted extraordinary powers, achieving greatness beyond their wildest dreams. But the price they paid was often unbearable, eventually leading to their downfall. Others believe that the

curse is a fabrication, designed to protect the true power of the buttons from falling into the wrong hands.

## **The Power of the Buttons**

The buttons themselves possess an undeniable charm. Their craftsmanship speaks volumes of the knowledge and skills possessed by the ancient artisans. They are said to harness the energy of the universe and tap into hidden forces that can shape destinies.

Legends abound of people who wore these buttons, attributing their successes or failures to the mystical powers vested within them. It is said that these artifacts can open doors to alternate realities, connect with cosmic energies, and even influence the minds of others. But beware, for the price of such power may come at a heavy cost.

## **The Modern Quest for the Buttons**

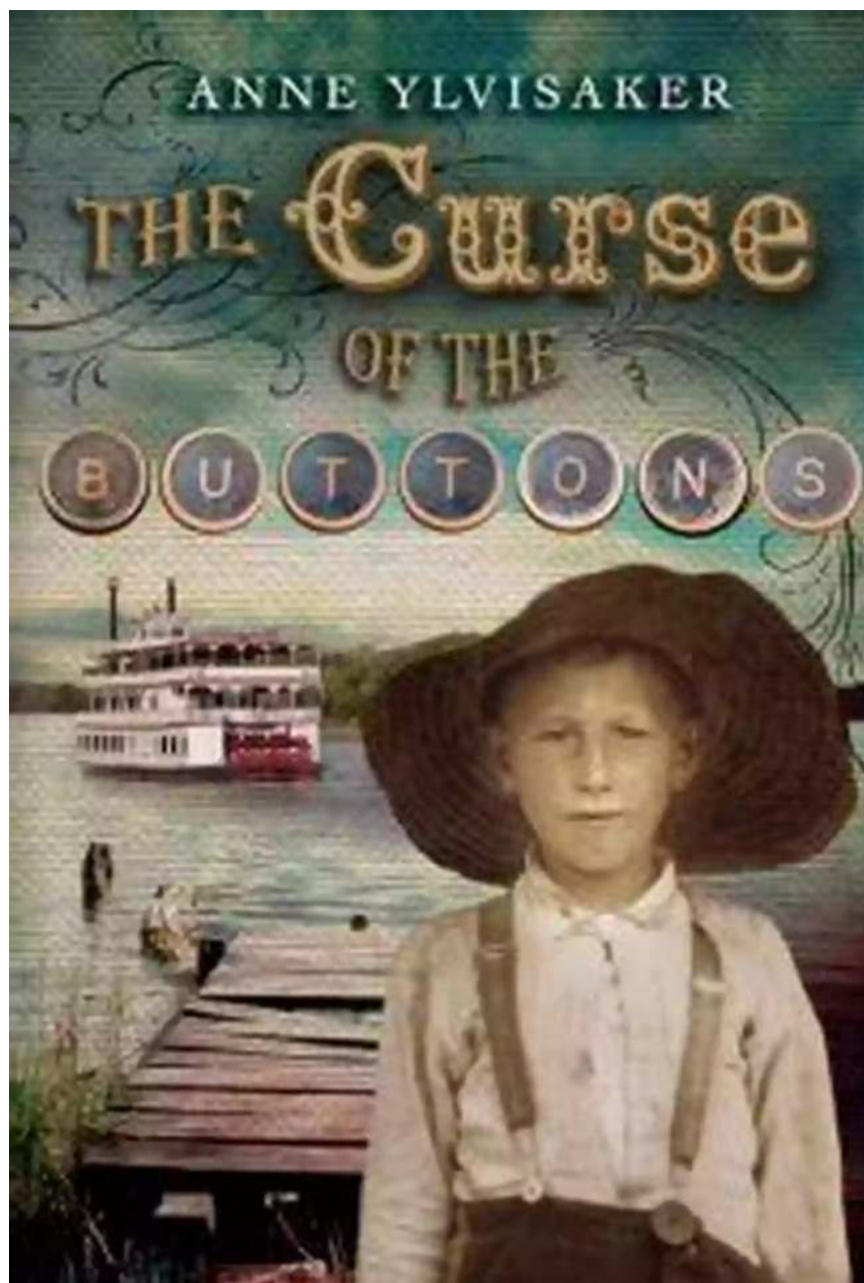

As news of the discovery of these enchanted buttons spreads, enthusiasts and treasure hunters alike are captivated by the idea of possessing such extraordinary artifacts. Auction houses are preparing for monumental sales, with seemingly insane bids expected from collectors hoping to harness the buttons' mysterious powers.

Despite warnings from scholars and the inherent dangers associated with the curse, the allure of power entices people to take risks. The modern quest to possess the buttons carries echoes of the ancient quest for knowledge and ultimate power - a timeless desire that persists throughout human history.

## **The Legacy Lives On**

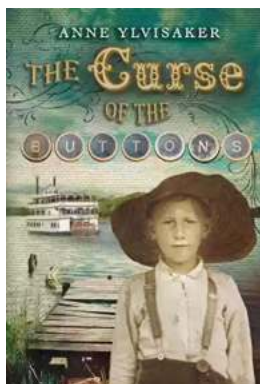

Today, the legend of "The Curse Of The Buttons" lives on, capturing the imaginations of those who dare to explore the unknown. Whether you believe in their supernatural powers or approach them with skepticism, the buttons remain an enigma waiting to be unlocked.

So, are you ready to embark on a mesmerizing journey into the realm of the mysterious buttons? Brace yourself for a tale that will forever alter your perception of reality and challenge the boundaries of human understanding.

Fans of the hapless Button family will thrill to this Civil War prequel, featuring the inimitable “Granddaddy Ike” as a boy.

“Eleven is not too young for war,” Ike said to Barfoot, who swished his tail agreeably, then lumbered to the yard table and stuck his nose in an unattended pie.

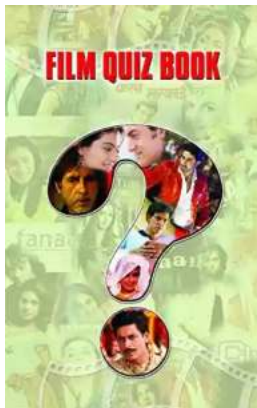

When a steamboat arrives heralding the news that Iowa has been called up to represent the Union of the United States of America, Ike is beside himself with excitement. For months, the promise of war has enveloped small-town Keokuk like a grand game that everyone’s in on — everyone but Ike, his swaybacked pony, and his best friend and checkers partner, Albirdie. Left behind with Mother and the aunts and girl cousins while the Button men march forth toward glory, Ike’s fate is sealed. Unless he can call on the ingenuity of his fabled (some say cursed) ancestor — the adventuresome Uncle Palmer — seek passage to

Missouri disguised as a drummer boy, and meet up with the Iowa First. But some opportunities are meant to be missed. And some arrive when you least expect them.
