2. Utilize credit cards with mileage earning capabilities: Many credit cards offer rewards programs that allow you to earn miles for your everyday spending. Look for a credit card that aligns with your preferred airline, and start earning miles even when you're not flying.
3. Take advantage of partner airlines and alliances: The Free Quent Flyer program often partners with other airlines and alliances, allowing you to earn miles when flying with their partners. Keep an eye out for these opportunities and take advantage of them whenever possible.
