One way or another, we always feed the crows.

A future chieftain

Fie abides by one rule: look after your own. Her Crow caste of undertakers and mercy-killers takes more abuse than coin, but when they're called to collect royal dead, she's hoping they'll find the payout of a lifetime.

A fugitive prince

When Crown Prince Jasimir turns out to have faked his death, Fie's ready to cut her losses—and perhaps his throat. But he offers a wager that she can't refuse: protect him from a ruthless queen, and he'll protect the Crows when he reigns.

A too-cunning bodyguard

Hawk warrior Tavin has always put Jas's life before his, magically assuming the prince's appearance and shadowing his every step. But what happens when Tavin begins to want something to call his own?
