This Jamaican-inspired fantasy debut about two enemy witches who must enter into a deadly alliance to take down a common enemy has the twisted cat-and-mouse of *Killing Eve* with the richly imagined fantasy world of *Furyborn* and *Ember in the Ashes*.

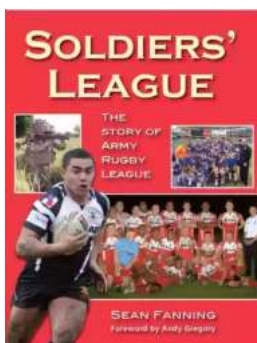

Divided by their order. United by their vengeance.

Iraya has spent her life in a cell, but every day brings her closer to freedom—and vengeance.

Jazmyne is the Queen's daughter, but unlike her sister before her, she has no intention of dying to strengthen her mother's power.

Sworn enemies, these two witches enter a precarious alliance to take down a mutual threat. But power is intoxicating, revenge is a bloody pursuit, and nothing is certain—except the lengths they will go to win this game.

"A thundering waterfall of magic, vengeance and intrigue." —Samantha Shannon, *New York Times* & *Sunday Times* bestselling author of *The Priory of the Orange Tree* and *The Bone Season*.
