Understanding the World of Don Emmanuel Nether Parts

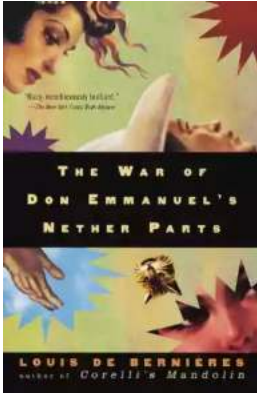

The story takes place in an unnamed Latin American country during the early 20th century, where political unrest and social inequalities prevail. The village is divided into two factions - the poor, led by Don Emmanuel, and the rich landowners, mercilessly exploiting the working class. The conflict escalates as the rebels fight for justice and equal rights, setting the stage for an epic battle.

Through the eyes of the protagonist, we witness the profound impact of war on ordinary civilians. We see the despair and anguish faced by families torn apart, the gruesome realities of battle, and the destruction left in its wake. De Bernières paints a hauntingly realistic picture of the horrors of war, leaving readers on the edge of their seats.

This rambunctious first novel by the author of the bestselling *Corelli's Mandolin* is set in an impoverished, violent, yet ravishingly beautiful country somewhere in South America. When the haughty Dona Constanza decides to divert a river to fill her swimming pool, the consequences are at once tragic, heroic, and outrageously funny. "Walks a precarious edge between slapstick and pathos, never once losing its balance."--Washington Post Book World.
