An Amazon Bestselling Book!

Uncontrolled is the fourth of four books in the Power Series based in the world of the sexy and powerful Sethi Brothers.

It is the second part of a duet centered around Jai that concludes his story. Control (Book 3) should be read first.

Secrets and lies will only ruin you.

This is the truth I know.

For years, I kept to myself, erecting walls to keep others out, until a chance meeting with a stranger.

A powerful man succumbing to pleasure.

He noticed me lusting after him—vying to be the one who could bring him to his knees.

How could I have known that one night would transform into a ride so wild and fervent?

He had walls of his own.

Neither of us were willing to destroy our barriers, and replace them with trust.

Instead, our secrets and lies ruined us.

Lovers became enemies.

Family turned to foe.

Unlikely alliances formed, shifting the balance of power and control.

Only two things could bring us together again: our mutual disdain for the enemy and our undeniable passion for each other.  
And both would prove too uncontrolled for either of us to endure.
