The Eastern French Frontier, 1754. The French and Indian War is about to begin. The War Trail is a rich and electrifying account of one early American coping with the new world. Wolfgang Steiner is a young German Redemptioner hired out to the Ohio Company as a hunter. He finds himself stranded in the wilderness and pursued relentlessly by the Iroquois. He crosses the brutal Northwest Frontier into French, then Spanish and Indian-dominated lands of North America. In the midst of his pursuit for freedom, he finds companionship with a young wolf. The plot complicates with the appearance of a mysterious and feared Algonquin Indian woman, Dark Moon, a medicine woman and sorceress. Wolfgang and Dark Moon journey in rough stages, trying to elude the creeping encroachment of other tribes allied with the French. Told with brilliant historical accuracy , this is a harrowing tale of hardship and courage in early America as it was. Those looking for the right blend of drama and realistic detail will find this novel an exciting read.
