Tapestry of the Gods elucidates the Science of the Seven Rays and the new and developing Science of Esoteric Psychology. It provides deep insight into the manifestation of the Rays in the human energetic system by explaining how they variously combine, fuse and blend. Tapestry of the Gods is a comprehensive 1200 page treatise on the Seven Rays for anyone seeking individual and group spiritual transformation.

Tapestry of the Gods - Volume I. The Seven Rays. An Esoteric Key to Understanding Human Nature is a meticulous analysis of the evolutionary,

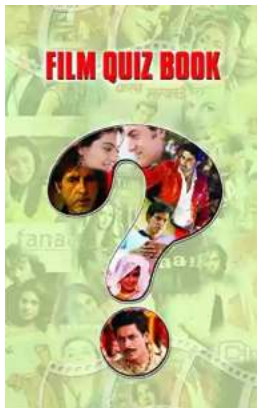

psycho-spiritual applications of the Ray energies to the evolving human energy system:

- Detailing the effect of the energy of each Ray upon human behavior.
- Highlights the similarity and differences among the Rays.
- Explores the Rayological dynamics of the human energy system: the soul, the personality and its three fields: mental, emotional, and physical-etheric.
- Shows how the Rays combine, fuse and blend into an individual's Ray chart.
