VONFLORA introduces a new way to see flowers.

It features 50 original, never-seen-before, meticulously handmade Superflowers that are not found in nature. It is a very unique collection of Superflowers that includes a great variety orchids, daisies, lilies, hibiscus, roses, sunflowers, tulips, passions, and many more!

As an artist Von Taylor uses parts of real flowers as a medium to transform regular flowers into Superflowers. Each of his designs is temporarily a living floral work of art that he captures in stunning colorful photographs. They highlight the best features found in flowers in great detail.

These Superflowers not only provide a new perspective into the beautiful world of flowers but they also usher a new style of floral art.

You will never again see flowers the same way!
