My name is Sophie.

This book is about me.

It tells

the heart-stoppingly riveting story

of my first love.

And also of my second.

And, okay, my third love, too.

It's not that I'm boy crazy.

It's just that even though

I'm almost fifteen

I've been having sort of a hard time

trying to figure out the difference

between love and lust.

It's like

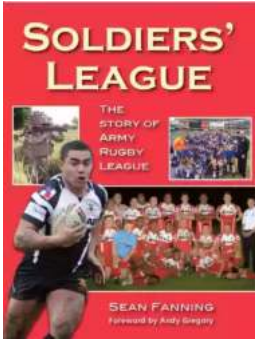

my mind

and my body

and my heart

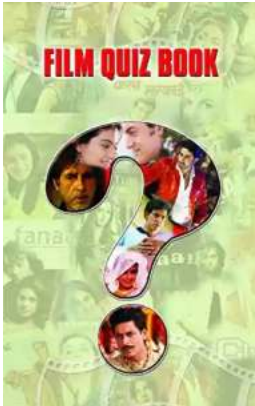

just don't seem to be able to agree

on anything.
